Park Update	Team met under the pavilion at Cuddy Park Coble Park	Pavilion is awesome! Picnic tables are awesome! Grill is awesome! There is concern about the security of the awesome picnic tables. We suggest they be chained to avoid theft. Recommendation is that the chain be long enough to allow the tables to be pushed together if desired. Is it possible to install a motion sensor /motion light for added security A public comment was made concerning the condition of the track at Coble Park. A picture of the damaged track was shown. It was noted that this prevents skating and scootering and could cause possible injuries. It is recommended that the track be re-paved to allow it to be used safely as intended.
