A Facebook page has been created and will be updated regularly with interesting historical facts. The Facebook page is called "100 Year Anniversary of Upper and Lower Frederick Townships"

Planning has begun and various committees have already been formed. Pam will ask to be on the agenda of the next BOS work session to update the Supervisors on the project.

CVS Park

In October, Julia Detwiler, Montgomery County Planner, met with LFPB at CVS Park to discuss ideas for the park and provide a draft design.

Jackie O'Neil provided an overview of the draft design and will take the team's agreed upon updates back to Julia to incorporate into the final design. Once the final design is received, Jackie will determine if it qualifies for a grant from the PA Association of Realtors.

Jackie also provided visual samples and estimated pricing for various types of signage. The Park Board came to a consensus on the style of signs we would like.

Park Rules and Regulations

At December's meeting we will review current park rules and regulations.
