

Foy Park

Located at 1 Main Street in Spring Mount

Foy Park Playground

Nestled along the Perkiomen Trail, Foy Park provides plenty of parking and easy access to the trail. This beautiful park has many amenities and is a wonderful place to enjoy the sounds and sites of the Perkiomen creek. This park also includes a play area for younger children and basketball courts for all to enjoy. There is a paved walking or biking circle where little ones can safely ride their bikes or big wheels. With creek bank access, it's a great place to fish or drop in your canoe or kayak. *Just remember – no swimming, and please stay off the dam.* In the month of October, the park is home to the annual Fall Fest when families can enjoy free music, hay rides, moon bounces, games, crafts and snack foods.

Grab the family or your yoga mat and come out and experience all Foy Park has to offer!

Park Amenities:

Porta potty, trash cans and electric;

8 picnic tables, 4 grills and 8 benches for relaxing;

Access to walk/bike/horse ride on the Perkiomen Trail;
