

## War Memorial Park

Located on Route 29 at Old Gravel Pike, Zieglerville, Pa.

### Memorial Park

Memorial Park is a dedicated site for honoring Lower Frederick men and women who served in the World Wars. A plaque listing the names of those men and women that served in World War I and those that paid the ultimate price to protect our country's freedom is mounted there. A second plaque honors our World War II veterans. It is the perfect spot to reflect on the memories of those who served and those who continue to serve to protect our great nation.
